3. No employment with a previous employer shall count as part of the Player's continuous period of employment with the Club.
4. There is no probationary period applicable to the Player's employment.

Player Obligations

5. The Player agrees to play to the best of his ability in all football matches in which he is selected to play for the Club and to attend at any reasonable place and time for the purpose of, or in connection with, playing or training as a football player in accordance with instructions given by any official of the Club.
6. The Player's regular hours of work are set out in Section 5 of the Key Terms. However, the Player agrees to attend any matches that may be arranged or re-arranged by the League and/or the organiser of any other competition in which the Club competes (and any training sessions associated with such arranged or re-arranged matches), even if such arranged or re-arranged matches (or associated training sessions) fall on a day that is not the Player's regular day of work. The Club shall arrange promptly such prescribed treatment.
- 29. If the Player is unable to perform any of his duties under this Agreement by reason of any illness or injury for any period of time ("**Incapacity Period**") and the Player complies with the above reporting requirements, the Player shall be paid during such Incapacity Period or the remaining duration of this Agreement (whichever is the shorter), solely the following amounts of remuneration by the Club:

 - (ii) in the case of a Playing Injury, if the Parties have failed to clearly indicate the amount of remuneration due, the Player shall be paid the Player's full basic wage.
- 30. Any payment to the Player in accordance with clause 29 shall be inclusive of any SSP to which the Player is entitled. Any further payments to the Player shall be made at the Club's absolute discretion or as set out in the final box of Section 4 of the Key Terms. - 44. If, for any reason, the Player does not take all the Player's entitlement to holiday in a holiday year, the Player will not be entitled to carry forward untaken holiday entitlement unless a period of statutory paternity, parental or adoption leave has prevented the Player from taking it in the relevant holiday year.

The disciplinary procedure aims to ensure that the Club behaves fairly in investigating and dealing with allegations of unacceptable conduct with a view to helping and encouraging all employees of the Club (including players) to achieve and maintain appropriate standards of conduct and performance. The Club nevertheless reserves the right to depart from the precise requirements of its disciplinary procedure where the Club considers it necessary or expedient to do so and where the Player's resulting treatment is no less fair.

2. Records

All cases of disciplinary action under this procedure will be recorded and placed in the Club's records. A copy of the Club's disciplinary records concerning a Player will be supplied to the Player at his request.

3. The Procedure

The following steps will be taken as appropriate in all cases of disciplinary action:

3.1. Investigation

No disciplinary action will be taken before a proper investigation has been undertaken by the Club into the matter complained of. If the Club deems it appropriate it may, by written notice, suspend the Player for up to 21 days to allow for an investigation to take place. If the Player is so suspended, this Agreement will continue together with all the Player's rights under it, including payment of the Player's remuneration and benefits. During the period of suspension, the Player will not be entitled to access any of the Club's premises or attend any of the Club's matches (home or away) except at the prior request or with the prior consent of the Club, and he will also be subject to such conditions as the Club may impose. Any decision to suspend the Player will be confirmed in writing by the Club.

At the hearing the Player will be given an opportunity to state his case either personally or through his representative (which may be a legal representative).
- 3.2.3. A disciplinary hearing may proceed in the Player's absence and a disciplinary penalty may be imposed if he fails to appear at such hearing after having received appropriate notice thereof.

4. Disciplinary Penalties

- 4.1. At a disciplinary hearing, the Club may dismiss an allegation or, if it is proved to the Club's satisfaction, may:
 - 4.1.1. give an oral warning, a formal written warning or a final written warning to the Player;
 - 4.1.2. suspend the Player for a period of not more than 14 days;

 - 4.1.4. order the Player not to attend any of the Club's premises for such period that the Club thinks fit not exceeding 14 days; and/or
 - 4.1.5. in any circumstances which would entitle the Club to terminate the Agreement pursuant to any of the provisions at clause 32, terminate the Player's employment.

SCHEDULE 3

Grievance Procedure

1. The Player shall bring any grievance informally to the notice of the Manager in the first instance, who may require the Player to put any such grievance in writing. Having undertaken a reasonable investigation into such grievance, the Manager will then notify the Player in writing of the outcome of the investigation.
2. If the grievance is not determined to the Player's satisfaction, the Player may, within 14 days of receipt of the outcome of the investigation, give written notice to the Club Secretary that he wishes the matter to be considered by the Club Board. The matter shall then be dealt with at the next convenient meeting of that body and, in any event, within four weeks of notice being received by the Club Secretary.
