

As a point of conformity and not to confuse the NWCFL Cup Competition Rules to that of the FA Vase, where possible, the same Rules have been adopted with the exception of the NWCFL replacing The Football Association and the Board replacing the National Game Board.

Alterations for season 2023/24 in red

COVID-19 has created great uncertainty for both football and society at large and The Football Association / NWCFL is not currently able to predict the impact that COVID-19 will have on the Competition in the 2023-24 season. In the FA Vase Competition Rules for the 2020/21 season, The Association addressed some of the potential issues that it considered may have occurred (both in new Rule 34 and by way of amendments to existing Competition Rules). In the Competition Rules for the 2023-24 season, The Football Association has retained many of those amendments and made further updates intended to reflect the latest COVID-19-related guidance. However, it is possible that further changes will be required to the Competition Rules or associated documents during the season (in particular, to address any guidance issued by the Government or Public Health England or any replacement body (“PHE”). If Competition Rule changes are required, they will be communicated to the Clubs participating in the Competition as soon as reasonably possible. Any references in these Competition Rules to COVID-19 shall also be deemed to include any alternative coronavirus or epidemic or pandemic affecting the Competition during the 2022-23 season.
